

Supplementary Table 1 Nucleus remodelling in bovine and porcine ooplasm.

| Embryos | N of embryos with PCC/ Total N of embryos | N of embryos with PN/ Total N of embryos |
|------------------|---|--|
| Bovine NT | 18/19 | 9/10 |
| Pig-bovine iSCNT | 10/10 | 9/10 |
| Pig NT | 10/10 | 18/20 |
| Bovine-pig iSCNT | 20/20 | 27/28 |

PCC - premature chromosome condensation 1 h post fusion.

PN - pronucleus-like swollen nucleus 3 h after activation.
